Report Number: HCEIT 012-22 - Plaid Army Diagonon Canada First Ottawa Convoy

BACKGROUND

A convoy of vehicles, under the guise of opposing a trucking regulation adopted by the U.S. government preventing Canadian truckers from entering the U.S. if they are unvaccinated, is headed to Ottawa. But this event is largely organized, and participated in, by the same Covid Denialist groups who have been protesting every public health measure throughout the pandemic. Groups with more extreme goals and beliefs, such as Plaid Army, Diagonon and Canada First, are also planning to participate in Ottawa on Jan. 28-29 event.

INFORMATION

Posts to Plaid Army and Diagonon connected groups indicate several of their leaders do plan to be in Ottawa
